

OBJECTIVE

To continue my career as a software engineer

I want to be a part of a great team and contribute my skills to solve problems and deliver great software solutions

SKILLS

Excellent problem solving skills. Great scrum team member.

Java, C#, Python, Maven, HIBERNATE, JDBC, linq, PostgreSQL, AngularJS, HTML, ReactJS, Blazor, Selenium, Git, SQL, Sourcetree, IntelliJ, Jira

LEADERSHIP

I have had leadership opportunities over the years starting with my employment on staff at Camp Loll for 2 summers. I have also been a team lead at In-N-Out Burger. At this point in my software engineering career, I am looking to be a part of a team, to learn and to grow. I hope that within the next 5 – 8 years that I will have an opportunity to be a software engineering team lead.

EXPERIENCE

ASSOCIATE SOFTWARE ENGINEER • 7 OAKS GROUP • FEB 2019 - PRESENT

Started as an Intern and was then offered a fulltime associate software engineer position. I worked on a very sophisticated custom-built platform that 7 Oaks built for Zerorez. I worked with a team of very talented software engineers.

CALCULUS TUTOR • VIEWMONT, BYUI, WEBER STATE UNIVERSITY • 2011 - PRESENT

I started tutoring calculus while I was in High School at Viewmont, then I went on to work for BYUi tutoring calculus, and then continued tutoring at Weber State where I became a master level calculus tutor.

IN-N-OUT BURGER • 2015 - 2019

5:00 am clean-up team lead, drive through, food prep, and dine in register

CAMP LOLL, WYOMING • 2011 - 2012

Staff Member – Teaching merit badges, leading scout groups each week, and participating in scouting events.

TINGEY FRUIT FARM, PERRY UTAH • 2003 - 2010

The farm has 6,000 fruit trees and 20 acres of row crop - corn, tomatoes, cantaloupe, watermelon, cucumber, squash, honeydew, and pumpkin. I worked hard on the farm and learned to do every task required to prepare, plant, care for, and harvest all of the crops. I was trusted with using all of the farm equipment on the farm – tractors, 4 wheelers, etc.

I loved the hard work and learned to get the job done, follow instructions, and have fun while working.

EDUCATION

COMPUTER SCIENCE • AUG 2020 • WEBER STATE

With an emphasis in Math, Java Programming, and Data Structures. I love problem solving and delivering software solutions. I completed an intensive software engineering internship with the 7 Oaks Group.

CRLA CERTIFIED MASTER LEVEL CALCULUS TUTOR • WEBER STATE

Completed each level of certification over a 3-year period to be certified as a master calculus tutor.
